Why Choose Mindworks Tuition Agency Singapore?

Are your child struggling with academic work in school, and you are looking for a qualified 1-to-1 home tutor?

We understand the importance of getting the right home tutor for every student. Mindworks Tuition works very hard to be the most reliable home tuition agency in Singapore by recommending highly efficient & effective 1-to-1 home tutors within your budget.

To ensure that every single tuition agency assignment is fulfilled, our tuition coordinators work conscientiously to recommend you only qualified and affordable home tutor profiles.

Our team can make this possible because we have many channels of acquiring active home private tutors in Singapore, in every subject and level: Kindergarten, Primary, Secondary and Junior College (JC).

"Mindworks Tuition aims to instil a great mind in every student via effective home tuitions."

Our home tutor-matching service can recommend you with suitable home tutor profiles within 12 hours upon receiving your tutor request.

We have verified the academic qualifications of all our home tutors ranging from polytechnic/undergraduate tutors, graduate part-time tutors, graduate full-time tutors, ex-MOE and current MOE teachers. Our experienced tuition coordinators will also interview them to ensure they have relevant tutoring experience to help your child.

Mindworks Tuition aims to deliver satisfactory services to clients like you.

We will help you find a suitable home tutor in Singapore with ease!

Simply call us at 85000358 or fill in our online tutor request form and receive our phone call within 12 hours. There are no binding contracts and no agent fees. You just need to pay for lessons conducted.
